

53-20-102 Definitions

Developmental Disability means a disability that:

- (a) is attributable to mental retardation, cerebral palsy, epilepsy, autism, or any other neurologically disabling condition closely related to mental retardation;
- (b) requires treatment similar to that required by mentally retarded individuals;
- (c) originated before the individual attained age 18;
- (d) has continued or can be expected to continue indefinitely;
- and
- (e) results in the person having a substantial disability.
